

Do you know the steps needed to fulfill the requirements of ICF certification?

Is the prospect of managing this task overwhelming given everything else on your plate?

Do you have the time and organizational skill to get through the cumbersome maze of paperwork?

How confident are you that your coach training has prepared you to demonstrate all eleven competencies?

How will you go about developing deeper proficiency in the core competencies? How long will it take?

Join expert mentor coach, Paulette Rao MCC, for this complete program and achieve your credential with ease, confidence and lots of one-on-one support.

OneSource™ fully supports the coach who is pursuing an ICF credential. Credentialing candidates build their coaching skills, further develop the ICF competencies and are superbly positioned to pass the credentialing exam with presence and confidence.

- ❖ **OneSource™** fulfills all ICF requirements including ten hours of mentor coaching via convenient teleclasses.
- ❖ **OneSource™** teleclasses are dynamic, experiential and fun and led by an international expert in neuro-learning and teleclass training technology who is MCC credentialed.
- ❖ **OneSource™** provides letters of reference from PCC and/or MCC credentialed coaches (two or three letters, depending on your credential pursuit).
- ❖ **OneSource™** offers step-by-step, hands-on guidance every single step of the way through the application process. You don't need to be organized. We are. We practically do it all for you.
- ❖ **OneSource™** provides an on-line learning management resource replete with checklists, information sheets, customizable form letters, and data logs to make the procurement and management of information for the application painless and easy.

"Paulette is a highly skilled coach and teacher who creates a safe and dynamic learning environment. I received more value from Paulette's course than in all my years of school. The best decision I made this year was to work with Paulette as my mentor coach. Her unparalleled commitment and passion will transform your thinking."

-Mary Anne Flanagan, Coach, Toning the OM™

"Paulette's knowledge and delivery of coaching skills is world class. We all sat riveted, fascinated, and laser-focused as she facilitated a deeper understanding of coaching competencies. She is a stellar trainer and mentor coach."

-Donna Janssen, Director, Texas State Educators
